Familystay Australia Code of Conduct

Rationale

Familystay Australia behaviours of being :

Personal, Personable and Professional in everything we do;

Authentic , Respectful and Ethical in our communications with students , parents, colleagues and peers

Collaborative, Enterprising in our work underpin the Code of Conduct

The Code of Conduct outlines the standard of behaviour expected by Familystay Australia . It is designed to assist individuals to understand their responsibilities and obligations and provide guidance on expected behaviour in Homestay , or assistance if faced with an ethical dilemma or conflict of interest in their hosting Involving colleagues, students and School .

The code provides standards for the way individuals must conduct themselves and provides a practical set of protocols to help individuals make decisions in their day to day work , what ever role they fulfil . The code does not seek to encompass all possible scenarios , however., it provides a set of principles to guide Hosts on acceptable and unacceptable behaviour . (also attached)

The code is designed to promote a culture of fair, respectful and ethical behaviour and to ensure

Treat others with respect, value difference at Familystay Australia meets its obligations under State and Commonwealth legislation

Take all practicable steps to protect children / students from child abuse

Treat all people with dignity , respect , courtesy and sensitivity to their rights

Never treat anyone unfavourably because they have brought a genuine complaint of improper behaviour

Never accept any gifts , reward or entertainment if it could create an obligation or expectation or be perceived to create an obligation or expectation ,

I have read this Code and agree to abide by it all times
